Summer Holidays Homework Session – 2024-25 Class – III

**Summer Holidays Duration –
School Reopen on –
Homework Submission Date –**

As summer rolls around the time, students are curiously waiting for vacations to start.

It is the happiest period in every student's life. At the same time, it's a worrisome question for the parents, "how to keep students busy during the summer break?"

It is important for the parents to keep their kids active and engaged during the period, because long breaks may result in boredom among students.

There are a lot of fun engaging games for students to enrich their skills and to keep them entertained during the time.

Children get time to have fun, enjoy and to relax in holidays. At the same time, it is time to learn, explore and develop life skills. Hence, we are giving short assignments for the vacation. We have tried to make the work enjoyable, keeping in mind the interest of the students. Inculcate the following life skills in your child to help him / her become independent.

INSTRUCTIONS FOR PARENTS

- Holiday homework has to be done under the parental guidance.
- Kindly complete & send the homework in a paper bag on the first day after the summer break.
- Do not miss to take your child, outdoors in the evening.
- Fix up a time table for your ward to organize his /her daily routine like watching television, playing with friends, studying etc.
- Give your ward plenty of water to drink & take care of them.

Above mentioned guidelines will help your child to become a smart & an active learner.

Few reminders for the students

- Meditate and do simple yoga exercises.
- Water the plants and feed the birds.
- Join your grandparents and parents for their morning walk.
- Give away toys and clothes that you do not need.
- Don't watch too much of television or mobile.

Co-ordinator Message-

Dear parents,

Holidays are always a welcome break from the normal routine and we all are look forward to them. The very thoughts of summer vacation include images of time for relaxations to escape the heat, pursuing of leisure activities and indulging in good quality of productive ways that your ward can spend the vacations which can be fun, relaxing and helpful for him/her. We wish that the children should spend their summer vacation well, making optimum utilization of time, following their passion and also at the same time enhancing their academic knowledge. We would like to share with you few tips in order to ensure that the vacation is utilized by children in fruitful ways.

Some suggestions in this regard are given below and we insist if they can be given due consideration.
